TEMPORARY MOBILE COMMUNICATIONS. DONE RIGHT, RIGHT NOW.

Not every turnaround or capital construction project is the same.

In the same way, all mobile communication companies are the same. It's easy to find radio equipment, but hard to get what you really need.

FOXCOMM is different from every other mobile communication company.

Get the solution you need, delivering the benefits you require through FOXCOMM and push, talk, win!

FAST.

SAFE.

SECURE.

GLOBAL.

THERE IS NO COMPARISON.

LOWER COMMUNICATION COST

FAST PROBLEM RESOLUTION

SUPERIOR COMMUNICATION

AGILE, VERSATILE SOLUTIONS

REDUCED PRODUCTIVITY LOSS

FEWER PROJECT DEFECTS

GREATER TASK PRECISION

A BETTER ENVIRONMENT

IMPROVED SAFETY

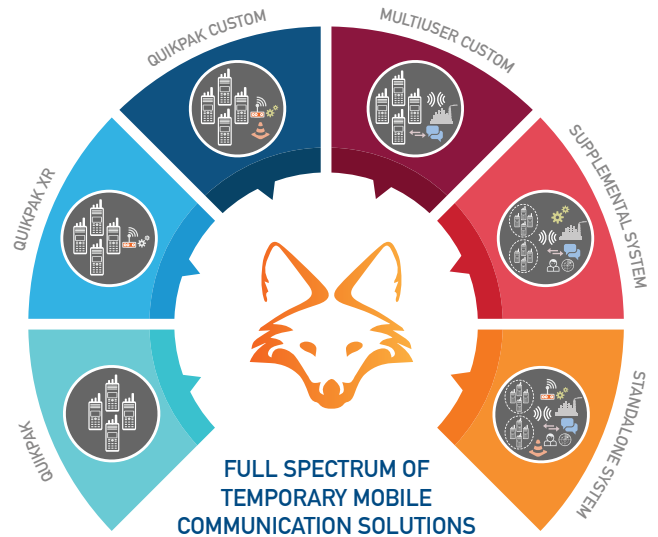

ACCURATE, TIMELY BILLING

WHY RELY ON OLD, TIRED RADIO SOLUTIONS?

GET PEACE OF MIND. NO RISK.

A leading integrator of temporary mobile communication solutions for shutdown/turnaround and capital construction project leaders

THE FOXCOMM ADVANTAGE

PROVEN COMMUNICATION SOLUTIONS

Handsets, repeaters, base stations, antennas, applications, integration, architectures, systems and solutions for person to person, person to machine and machine to machine communication.

EXPERIENCED COMMUNICATION EXPERTS

Merging the deepest, field-proven skills and experience to deliver solutions that accelerate turnaround and capital project collaboration, productivity, safety, and success.

INNOVATIVE COMMUNICATION APPROACHES

Addressing the unique challenges of temporary, mobile communications within tight budgets and timelines while adapting to each unique customer requirement.

BEST COMMUNICATION EXPERIENCE

Providing the best end-to-end customer experience from initial inquiry to final, accurate billing for contractors and owner mobile communications.
